What's on offer?

This house is available to first time buyers who are working and can get a mortgage, but cannot afford a suitable property on the open market. Priority will be given to those with a local connection to the Wenvoe area.

The scheme is on a shared equity basis, which means that although you own the property you only have to raise a mortgage for 70% of the purchase price.

The house is part of a recent development from Redrow Homes in Wenvoe in the Vale of Glamorgan. All properties are built to achieve a high level of sustainability,.
